

cio investment club and Pension Insurance Corporation Launch New Podcast Series: *The CIO Chair*

The **cio investment club**, in partnership with **Pension Insurance Corporation**, is pleased to announce the launch of a new podcast titled *The CIO Chair*.

Hosted by **Sean Thompson** (cio investment club) and **Hartej Singh** (Pension Insurance Corporation), *The CIO Chair* will explore how asset owners and asset managers think, decide, and lead. Each episode will feature in-depth conversations with Chief Investment Officers and senior leaders across the institutional investment landscape.

This first series, titled '*How asset owners and asset managers think, decide, and lead*', will delve into the long-term strategies, leadership principles, and decision-making frameworks that shape the world of institutional capital.

"Our goal with *The CIO Chair* is to create a space for meaningful, candid conversations with CIOs and insights that often stay behind closed doors," said Sean Thompson. "We want to spotlight the thinking that drives capital allocation at the highest levels."

"By highlighting diverse approaches to governance, investment strategy, and leadership, we hope to inform and inspire current and future leaders in the industry," added Hartej Singh.

The team is currently curating guests for the initial series and is inviting **Chief Investment Officers** who are interested in sharing their perspectives to get in touch.

To express interest in being featured, please contact: sean.thompson@cioinvestmentclub.com.

Episodes of *The CIO Chair* will be available on major podcast platforms, with updates shared via cio investment club and Pension Insurance Corporation channels.
